In Memoriam

Like A Shooting Star In The Night
A Glimmer Of Brightness
Our Heart Skips A Beat Momentarily
Leaving A Joyful Impression

Thankful For All Those Around Us
Sharing The Times Of Our Lives
We Follow Our Separate Paths With Hope
The Fondest Memories Like A Snowflake
Etched

So When The Curtain Of Darkness Falls
And Blackness Has Covered The Earth
Remember That Star We Shared In The
Night
For A Special Moment - It's Purpose -
Delight

The Indians were led by Tim Foley, Dan Kilday, Joe Gualteri, Sean Gearin, Bobby Russell, Frank Mirasolo, Pat Walker, Rob Shannon, and Dave DiNanno. The Indians went undefeated in the first half of the season due to the strong defense and the skilled goaltending of Tom Foley who had 11 shut outs for the season. In the second half, they ran up against Chelmsford, and lost only once more against Andover.

The tri-captains of Tom, Dan, and Joe were selected to the All Conference and All Star Team with Frank Mirasolo. In the past season action, the Indians made it to the quarterfinals of the north section before they were ousted by north Lexington who went on to win the tournament.

The girls team in what was considered to be a rebuilding year, started off poorly losing their first five games. However, in the next thirteen games their record was 7-3-3 and they gave up only 13 goals in those thirteen games. Senior Captain, Sue Poulin, playing sweeper settled down the defense and led them to an overall 7-8-3 season. Although the poor start hurt their tournament hopes, by the end of the season the Indians were the equal of anyone, evidenced by the last 2 games a 1-0 victory over a tournament found 10-2-2 Algonquin team and a 1-1 tie with Chelmsford, another tournament team. One of the season highlights was the play of senior Sue Dulong, scoreless in her 4-year career, who finally struck paydirt by scoring the winning goal in a 2-1 win over Nashoba Tech in the last week of the season. Sue deftly put in a Sue Poulin corner kick. Then the next day, Sue Dulong again scored the game winner in a 1-0 thriller over powerful Algonquin. Beth McCarthy played well all for the Indians and was always an inspiration with her play and personality.

LOWELL SUN STARS OF THE WEEK-Sue Poulin, Sara Doherty, and Chris Hoar who as goalie had 6 shutouts and 7 other games in which she let only 1 goal.

In the 1985-86 season, Billerica Golf became a fall sport for the first time. The team ended up its season with an 8-8-0 record, and had an up and down season. After the first 6 matches, the team held a record of 4-0-0, but then a losing streak of 6 straight losses brought their record down to 4-8-0. The team then finished strong in the last 3 matches shutting out Wilmington, Tewksbury, and Lawrence 9-0.

The seniors that led the team were the co-captains, Harry Sears and Jay Diman, Chuck Babcock, Mike Fallon, Ed O'Flaherty, and Frank Spinale. The Junior standouts were: Tim Ervin, who played #1 all season and had a 9 hole average of 40.6 for the season; and Neil Gorman, who highlighted the season with a hole in one. Rick Delisle, the lone sophomore, played well all season. There were also 3 freshmen: Bob Fletcher, Jeff Higgins, and Joel Jenkins.

Golf, as many know, isn't a contact sport, but in reality is a mental and individualized game. The more one plays, the better he becomes. Even though the team didn't have and excellent record, everyone had a good season and put in alot of effort to try to achieve success.

Three other seniors, Coach-Captain award winner Joanne Riordan, Sharron Kelly, and Wendy Foote were important contributors, as was junior Katrina Schmidt, the team's Most Improved runner.

This past season was a disappointment for the BHMS hockey team, a record of 9-7-3 did not show the total effort that the team put out. There were many bright spots for the Indians who were captained by Joe Gualteri, Mike Moriconi, and Paul Frazier. Moriconi (22-18-40) and Gualteri (12-23-35) were selected to the MVC 1st team allstars, All-Conference team. Gualteri was voted most valuable player of the year in the MVC while Frazier (12-22-34), Steve Roberts and Dave DiNanno were selected to the large school allstar team. The team also beat perrenial powerhouse Austin Prep. in the season opener. In the allstar game, Billerica accounted for five of the six large school goals, Frazier netting three and Moriconi netting two. Roberts assisted of five respectively. The team will lose key players to graduation: Dan Kilday, Ed Burke, Jeff Beckwith, Darel Crandall, Bill Riley, and Hardworking Mike Kelly. On behalf of the team we would like to thank Coach Mark Jenkins, Tom Glavin, and Assistant Coach Mike Esposito.

This year's Billerica girls' swim-team was co-captained by senior Laurie Mitza and junior Denise Beck. Enthusiasm and team spirit were two contributing factors to this years successful record.

Throughout the season, each team member demonstrated determination and dedication toward the achievement of the year's team success. As a team, the girl's were very supportive of each other and shared their success as well as their disappointments.

In swimming, unlike other team sports, each swimmer must perform all alone to achieve her individual goal, and better the team score. This can be difficult at times when the girl is swimming against strong competition and cannot hear her teammates cheering her on from the poolside.

As stated before all the girls swam well this year, and each swimmer had improved her time by the end of the season. Representing our school at the sectionals were Kim Davis, Denise Beck, Janine Cumming, Kerri Little, Killian McNulty and Kris Raybould.

The divers were also a benefit to the team, and each diver improved her scores by the end of the season. Diving for Billerica were: Tracy Shaw, Chris Plasse, and Jennifer McInnis.

The team wishes its senior swimmer, Laurie Mitza, much success.

The 1985-1986 Basketball team had a disappointing 2-15 record. The record however, didn't show the effort or the overall talent of the team. The team had halftime leads against divisional powers such as Lawrence Central and Andover but ran into third quarter jinxes. This year's team was dominated by seniors Andy Park, Sharaad Hulsoor, Kevin Crump, Dan Brown, John Saia, Tom O'Shea, Rob Diprizio, Tom Foley, and Manute Bol.

Juniors Rick Elliot and George Arpus along with sophomores Glenn Disarcina and Michael Goodwin got needed experience to build for next year's team. The team would like to thank Coach James and assistants Kevin McDermott and Dick Donelly for their effort and their time to give us a wonderful four years.

We would also like to thank the loyal fans who supported us through High School.

The girl's indoor track team finished its season with a record of 4 and 4 in the Merrimack Valley conference. The team had several strong performances by many individuals throughout the season. Jennifer Burt was undefeated in the 50 yard hurdles and qualified for the state meet. Captain Lynne Talbot showed her talents in running well from the 300 to the two mile. Sharron Kelly ran well in the 600, 1000, and ran last leg in the 440 relay. Paula Colby and Kelly Egan scored consistently in the 1000, mile, and two mile. Paula also added her high jump skills. Pam Quinlan ran as a sprinter while Linda McLaughlin participated as a distance runner and Wendy Foote was our best shot putter. Cindy McBournie ran the hurdles and was the team's top high jumper.

Leading the underclassmen were strong performances by Chris Brochu and Sara Doherty in the 300 and 440 relay. Suzy Smith is an upcoming hurdler and Patty Barbarosso ran the best time this season in the M.U.C. during the 600. To The Members of the Class of 1986:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

The gift is, of course your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Robert J Calabrese

Dear Graduates of 1986,

"Academic Excellence" have been words that you have heard over and over again at B.M.H.S. during your four years of high school. But the meaning of those words should take on special significance for you as you graduate as members of the "Class of 1986".

First, those words signify high levels of performance in the courses you have taken as a student at B.M.H.S. Excellence has been attained if you are able to say now that you have invested yourself fully in your program of study and have achieved success to the maximum of your capacity.

Second, those words connote a mental attitude with which you approach every task that you confront. Excellence has been attained if you are mentally tough - if you can face an unexpected situation or question and retain your composure and figure out what to do next.

Finally, those words describe an attitude toward thinking and toward lifelong learning. Excellence has been attained if you carry with you the conviction that the process of intellectual growth continues on well beyond high school years into adulthood.

"Excellence", as you can see, is not readily attained. For most of us, it remains a goal that we seek throughout all of our lives. It is our hope at B.M.H.S. that the spark to strive for excellence has been ignited within you during the four years here.

Congratulations on your graduation and achievements. Please know that you are always welcome in our Community.

Sincerely,

Thomas D. Sharkey

Dear Graduates:

Congratulations! Although you, as students, have successfully accomplished all the necessary requirements for a high school diploma, and should rightfully be applauded, I question whether the accolades should end there?

Let us stop and reflect for a moment and consider the spiritual-moral encouragements, the financial sacrifices made, and the affectionate motivational influences that you undoubtedly received to achieve this goal and then reach out to your loved ones and thank them for their never-ending support for they too deserve to be congratulated.

Health, success, and prosperity to you all!

Sincerely,

Joseph A. Sarno

MORE memories by Paulette S.:

Don't worry, girls, Renee didn't mean that! Badmitton tournament with Rica-all the way, Kid! Let's go out for lunch, Tom. A word to the wise-never wear velcro around Diana! HOLD THOSE BUSES! Barry, thanks for so many fun times I'll never forget. A. certain group of girls who will never forget the magical days of AARON-thanks guys, hope you all make it BIG someday. An excellent time in Physics with Erik S. and the pear (notice the Swedish spelling). Kerry-not best friends, but I'm always here if you need me-remember all our fun, Summer of '84. Many mornings with our flies-DON'T KNOCK OVER THE ETHER BOTTLE! They'll never top our pigs, though. Stacey-I've had it up to HERE with you! Being teased by Mark in math-keep pocketbooks away from that kid! Always put your name on your scrap paper. Halloween with Colleen and Barry-there was a stabbing a little while ago! Je ne parle pas Francais. Janine-I will never seize a weasle by its tail. Jason, what time do we want to go out? (I'll give you three guesses) Are you mad? Hey-that's not the right answer! THE cutest couple at both proms. Thanks for some special times-here's hoping there are many more, yet to come. I miss you. Class of '85-lunch was great while it lasted: How's it going, eh? Ah, but the web we weave. I can't believe you said that- that is so wicked bad! National Honor Society field trip to Boston with Jason, Lisa, Al, etc. Let's put Chris Wilson's lunch in a tree! Frank, whatever you do, don't tear the raft. I guess I'll always be Frank's Eggie, Bob's Smallette, Al's Smurfette, Tim's Pat, Dan & Jean's Ollie, and we all know what I am to Barry. Blood Drive '85-the scariest 45 minutes of my life. Thanks Eileen, Lorine, Lisa, Kerry, & Mr. Flynn for helping me keep my sanity. Tim S.-Ants stretch when they wake up. Doing the yearbook senior pages on Thanksgiving with Danielle. "Why don't you just put the write-ups in the page envelopes?" Terry-can I try on your ring? (it's probably dirty anyways) Remember trying to avoid Scott Bussell. But Mr. Podaras, if we had a circular room, all the chairs would slide to the middle of the floor. Lorine-I'm a tired little bunny! I think we are the only two seniors who are sad they're graduating. Hey Lynne, can I sign up for NHS? What ELSE can I do for you, Mr. Flynn-why don't I go down to Mr. Lampropoulos' room . . . Dressing up like Cupid and Boy George. Running for President twice-and losing. BMHS balloon and flower days-knock over the oxygen, and it will go right through the wall! Eric-you'll always be my #1 brother. Thanks and love to my many friends whom I will never forget: (especially) Colleen, Lorine, Barry, Dave, Scot, Paul, Laura, Lisa, Eric, Pat, Tim, Sal, Sue M, Rosemary, Carl, Dan, Kerry, Mark, Stacey, Jay, Diana, Linda, Rica, Jenny, Rob, Alan, and Terry (I think I will miss you most of all. Never forget Christmas parites, proms, etc.) How am I gonna let all of you go? Remember good-bye doesn't mean forever . . . Please don't let us lose touch after High School. Good luck, guys, I'll miss you. Be good!!! (and see you in five years, at our reunion!!)
